

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MINNESOTA**

SMARTMATIC USA CORP.,
SMARTMATIC INTERNATIONAL
HOLDING B.V., and SGO
CORPORATION LIMITED,

Plaintiffs,

v.

MICHAEL J. LINDELL and MY
PILLOW, INC.,

Defendants.

Case No. 22-cv-0098-JMB-JFD

**DEFENDANTS' NOTICE OF CONFLICT IN SCHEDULING AND
REQUEST FOR STATUS CONFERENCE**

Plaintiffs recently filed another motion to modify the scheduling order which they unilaterally scheduled for August 2, 2024. In the interests of economy, resources, and conflicts in scheduling, there is no practical reason why the motion set for August 2 cannot be moved and heard on the previously scheduled hearing date of August 20, 2024.

Plaintiffs claim that August 2 was chosen because they were “ordered” to call the Court and select a hearing date. They chose not to include Defendants in this call or consider Defendants’ schedule and claimed they could not agree to August 20. Mr. Lindell and My Pillow, Inc. give notice that they have a conflict with the unilaterally selected date of August 2, 2024 because the undersigned has prior commitments and the firm’s other partners are on vacation during that time.

If the Court is unwilling to change the August 2, 2024 date to the previously scheduled August 20, we respectfully request a telephonic status conference to schedule.

DATED: July 13, 2024.
